## Advisor Completed Part B\*\*

Completed by the advisor using a paper application

### Amount\*

For single-life products, add together face amounts issued and applied for with The Principal® within the last 6 months to determine amount.

For survivorship products, medical and MVR requirements are based on half of the total face amount for each proposed insured. Electronic inspection reports and financial requirements are based on the total face amount applied for.

For any amount, the underwriter may request additional requirements for cause.

### Length of Studies

Exams, physical measurements, mature age questionnaire, blood profiles and urines are valid for 365 days from completion for ages 0-69, 180 days for ages 70 and above.

ECGs, financials, financial underwriting supplement, MVRs and inspection reports are valid for 365 days

Applications/Part B's are valid for 180 days subject to underwriting review

Underwriting may request updated requirements for cause.

### Legend
