Underwriting Guidelines 2021

**Offered by Zurich American Life Insurance
Company of New York and Zurich American
Life Insurance Company**

Who we are

Founded over 140 years ago, Zurich Insurance Group is one of the world's largest insurance groups, operating in over 200 countries and territories with over 50,000 employees. Our disciplined approach creates value for our customers. We follow a conservative investment philosophy that has served us well in the past and will help ensure we are here in the future.

* PPVUL uses auto-bind reinsurance unless jumbo limit has been exceeded.

**For foreign nationals, visa holders, green card holders & non-resident/part-time resident U.S. citizen insureds, please see Zurich's "International Underwriting Guidelines" for additional requirements.

We provide our products in the U.S. through our wholly-owned subsidiaries Zurich American Life Insurance Company of New York and Zurich American Life Insurance Company.

Strategic mission

Zurich Insurance Group has emerged as a global leader in the industry by remaining focused on financial and underwriting discipline, operating efficiency and robust risk management – preparing us to succeed in any market environment.

A dedicated partnership

Our underwriters partner with you throughout the process of selling new cases. We understand the support you need and all the required steps involved to succeed through the process.

The underwriting guidelines detailed in this brochure should be used for all cases submitted. Our guidelines will help ensure an effective and efficient underwriting process, allowing you to deliver the best available insurance products to clients.

Key Underwriting Strengths

- Use of multiple manuals
- No auto-bind reinsurers (no jumbo limits)*
- One Class Upgrade Program
- Table Reduction Program
- Foreign National Program**
- \$20 million of retention
